Our Gorgeous Baby

Smriti Halls Eve Coy

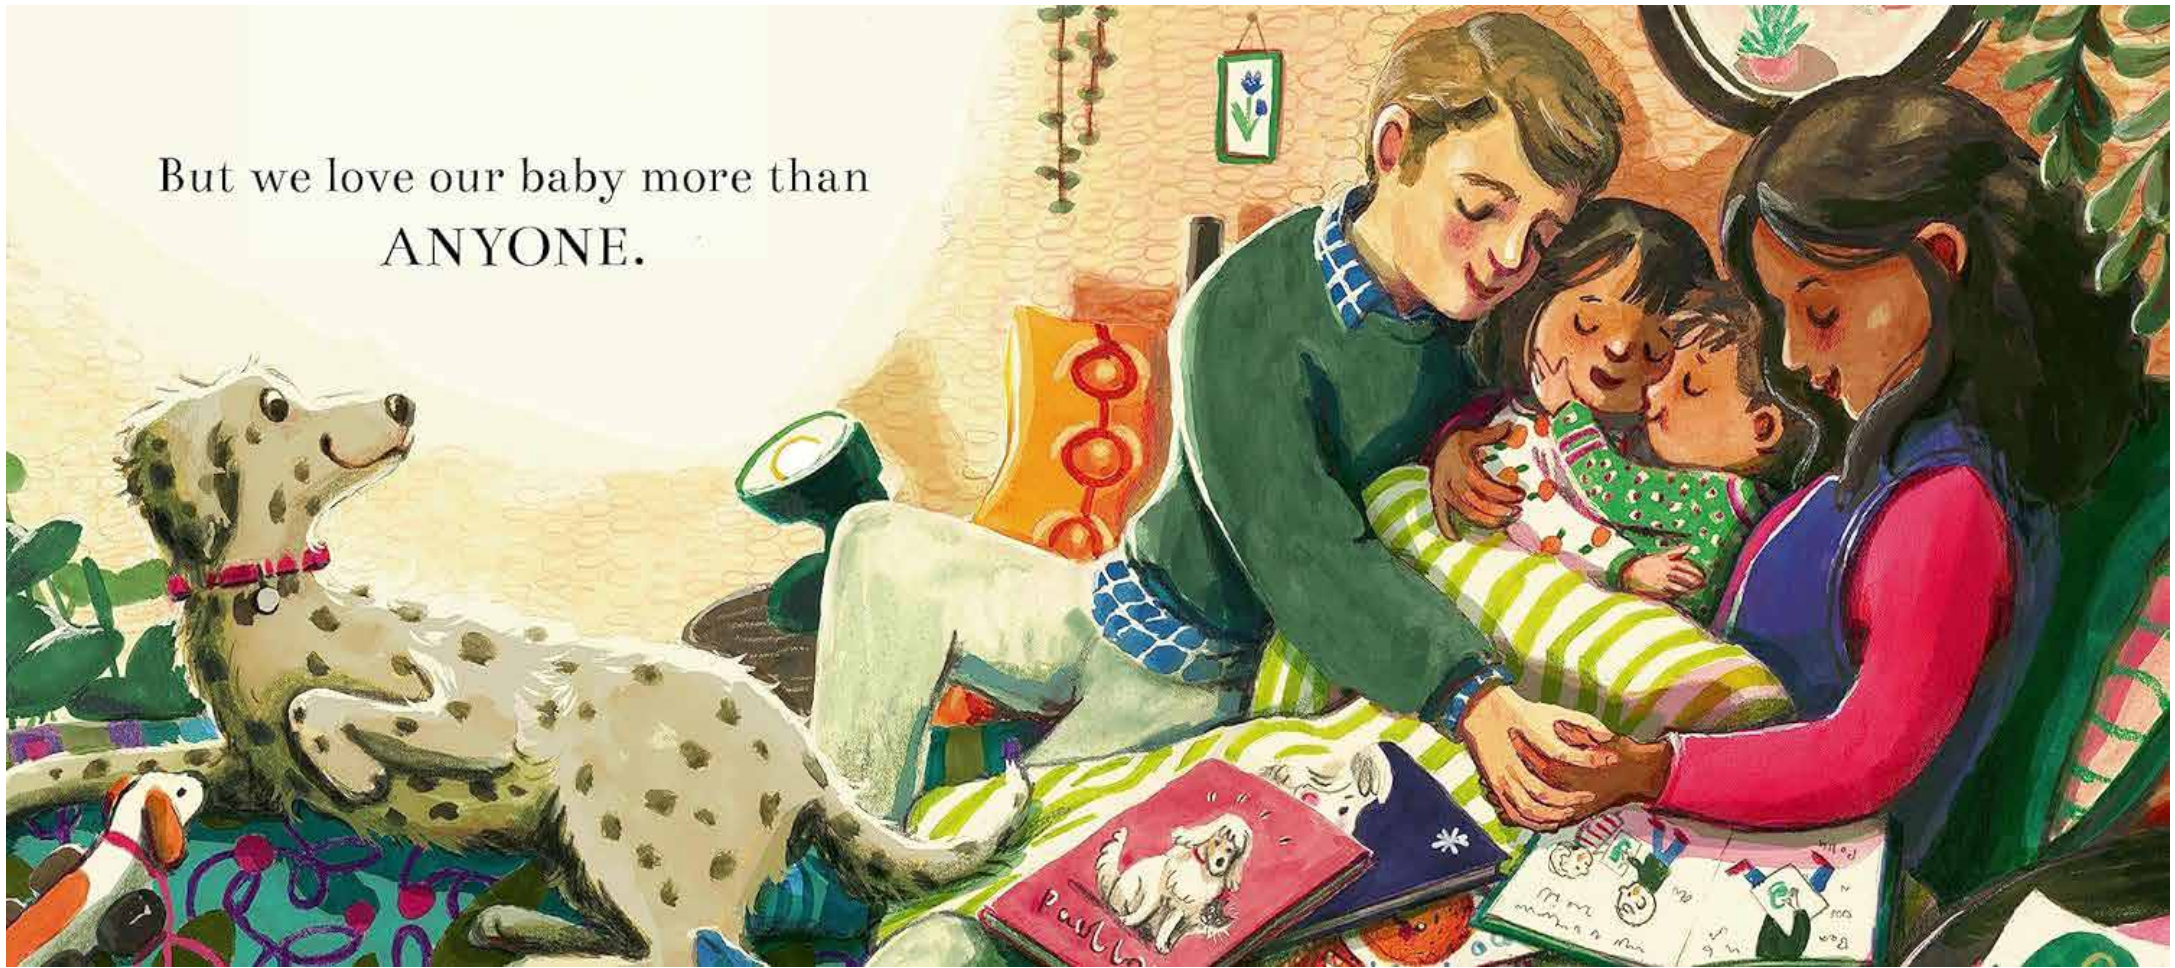

She rules
her royal
subjects with
a muddy crown.

She's never been a tidy eater ...
she likes massive slurps.

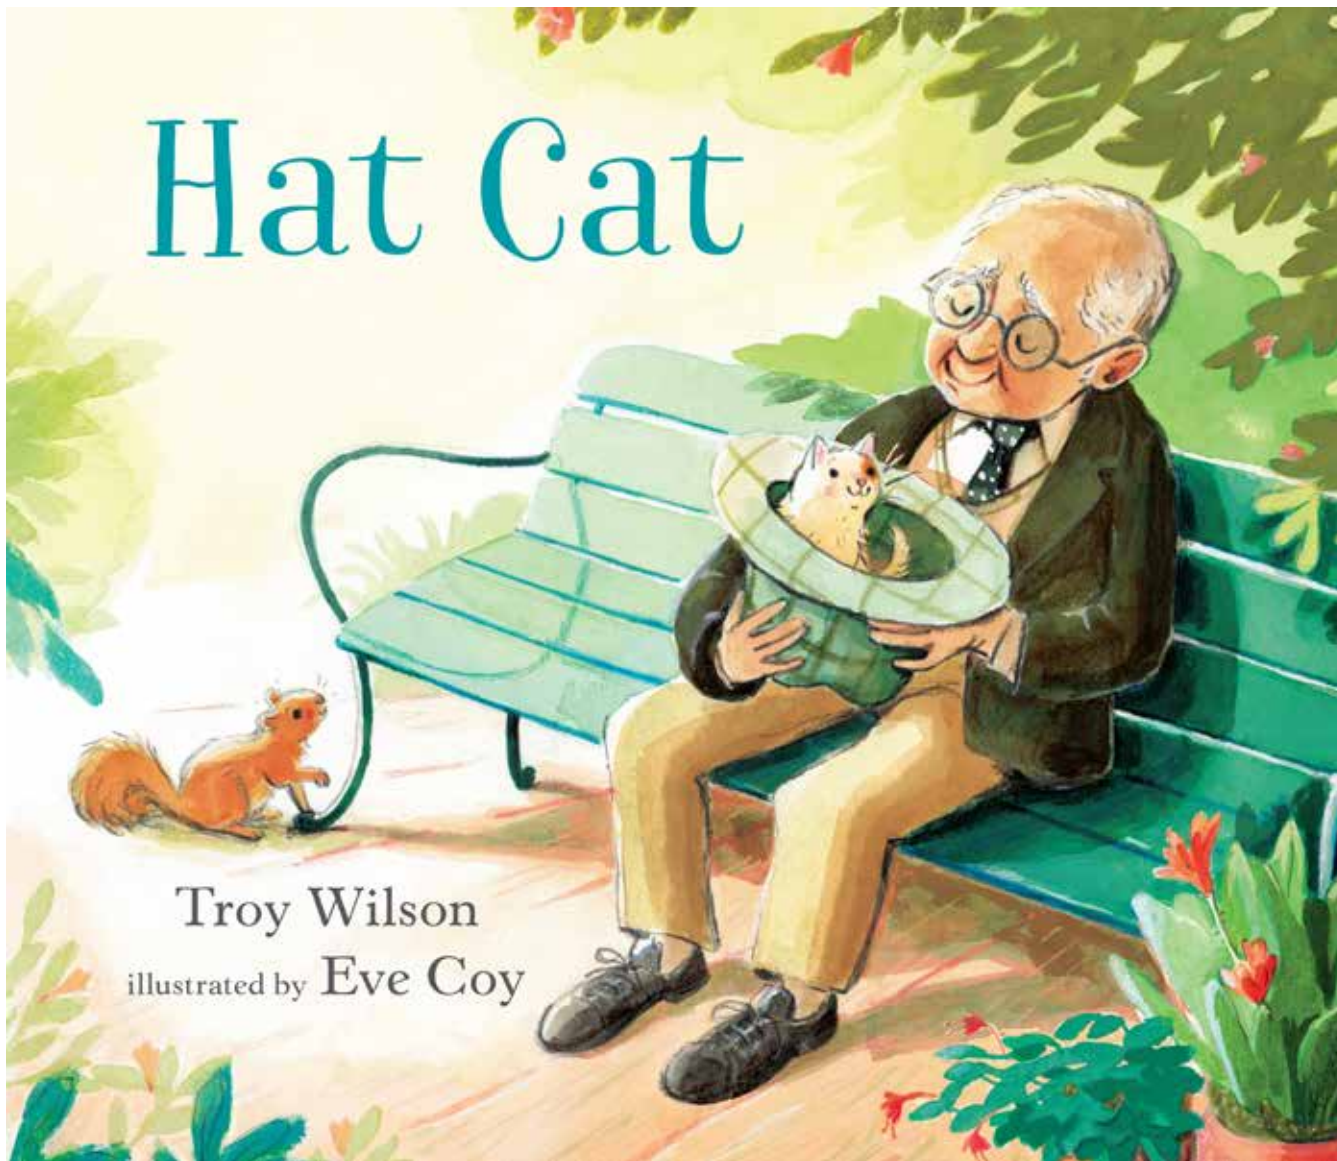

But we love our baby more than
ANYONE.

... and the greatest of cuddles,
they're all are Lovealots once more.

Then it's breakfast time.
They like the same cup

but not

the same food.

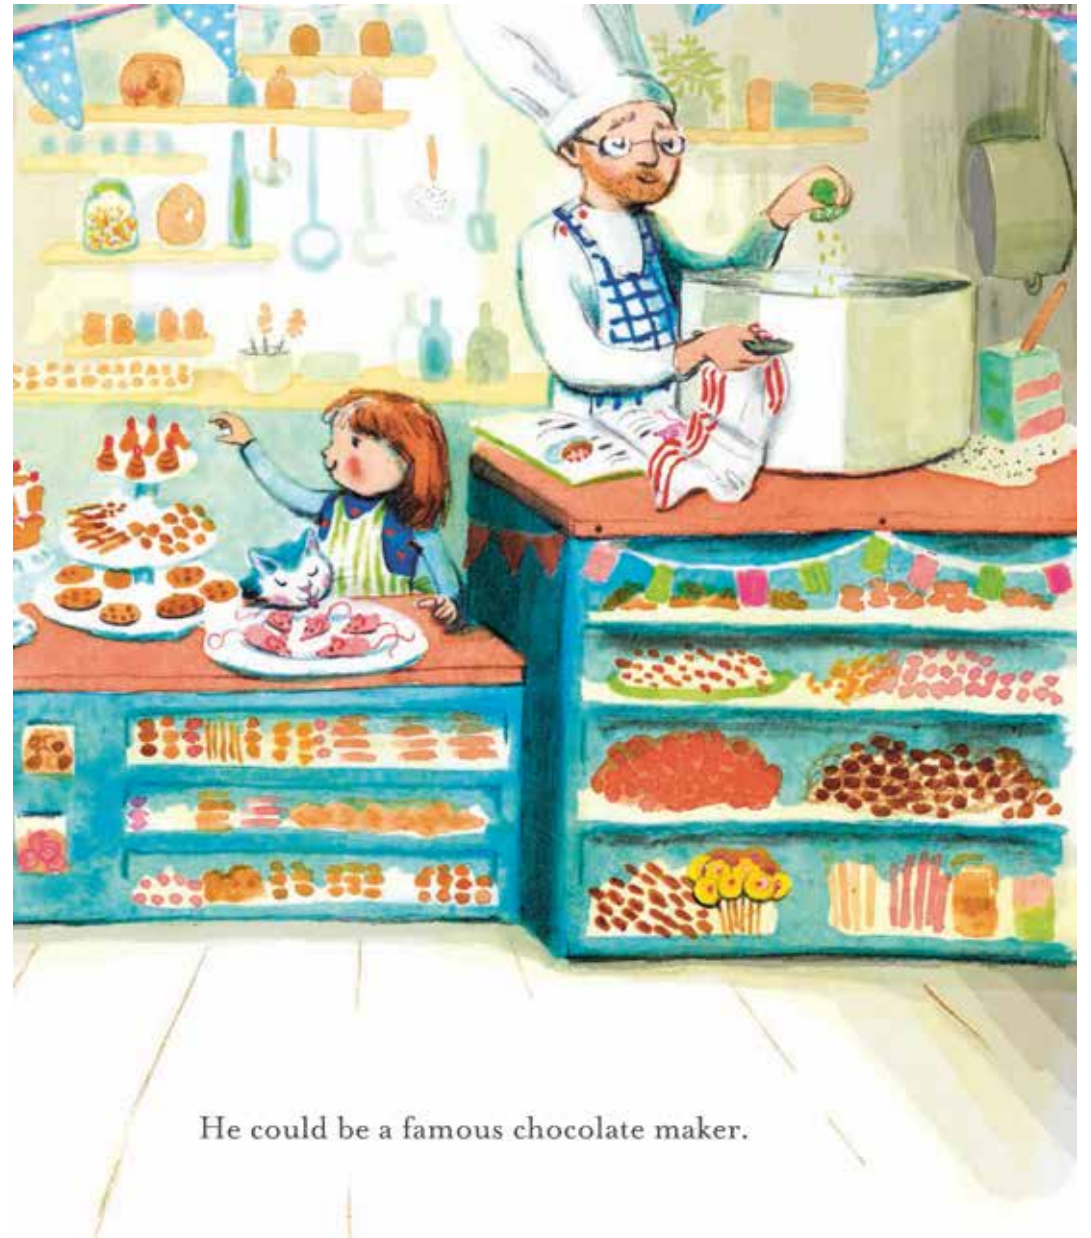

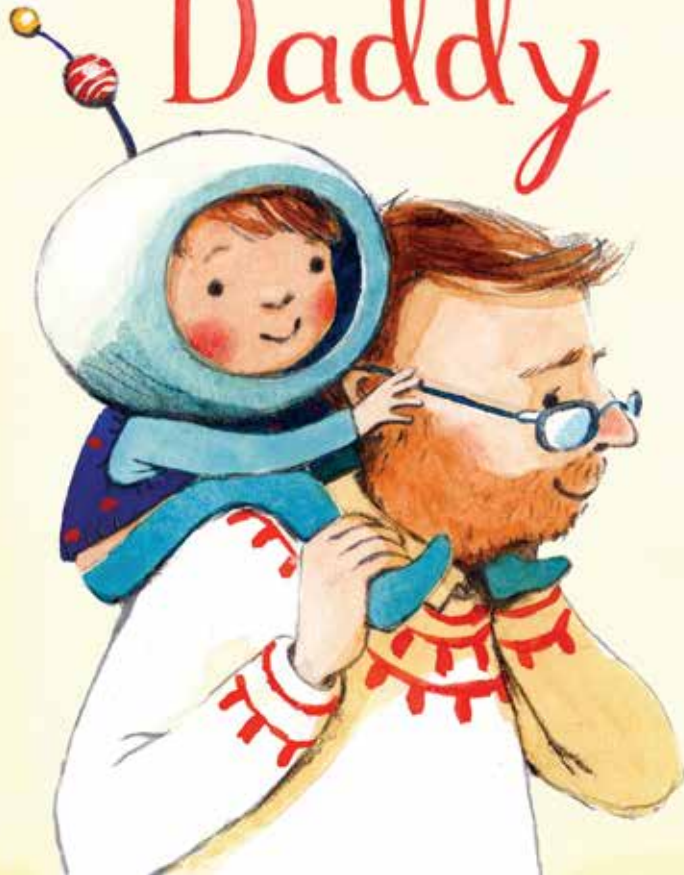

But as they eat their breakfast
the first magical transformation
occurs and...

Looking After Daddy

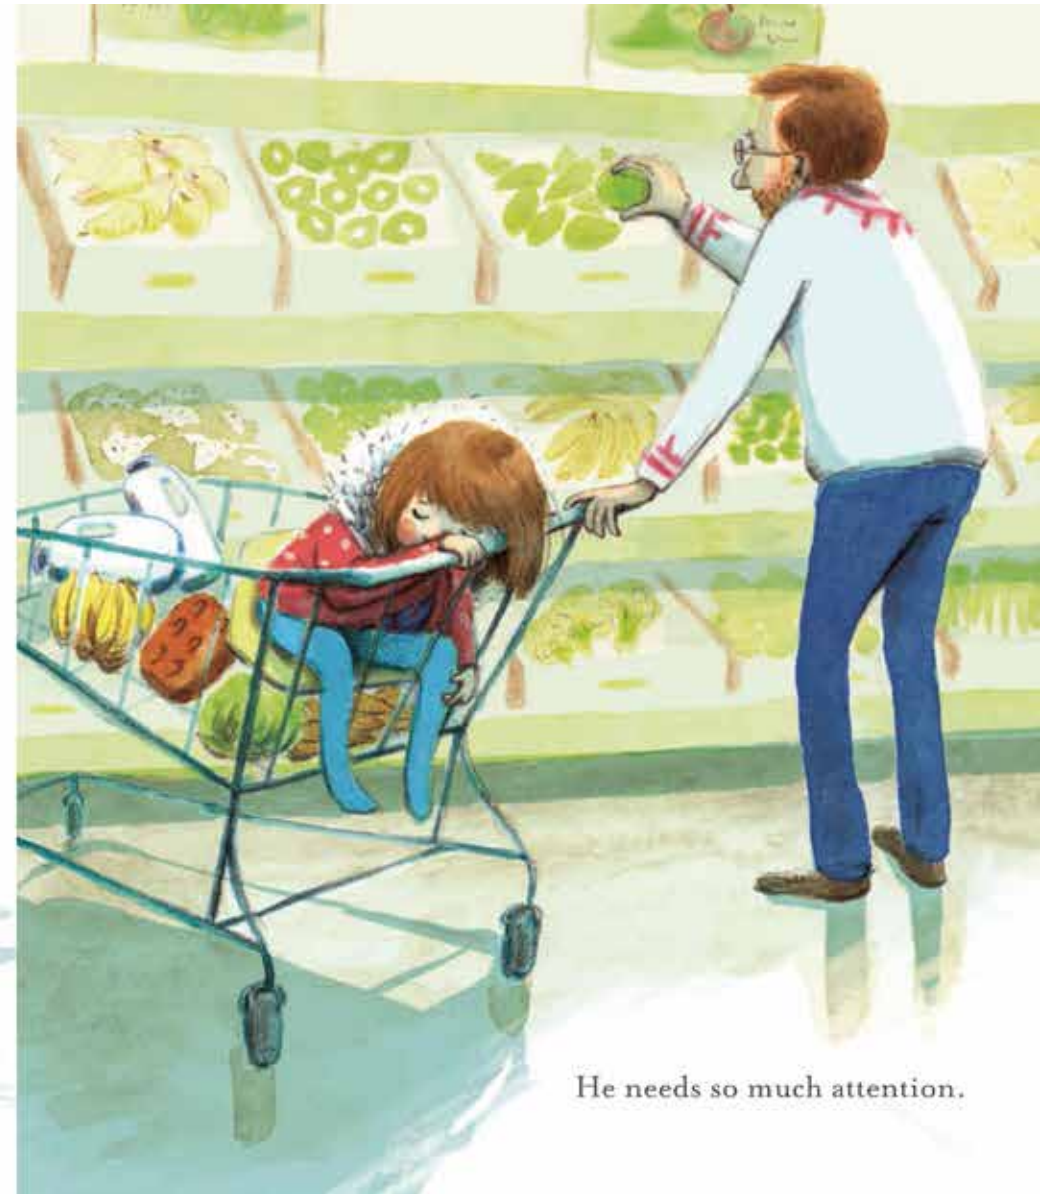

He could be a famous chocolate maker.

William likes to get up early.

Looking after William keeps me busy.

He needs so much attention.
